Declaration

I, John J. Mullaney, declare and state that I am a graduate electrical engineer with a B.E.E. and my qualifications are known to the Federal Communications Commission, and that I am an principal engineer in the firm of Mullaney Engineering, Inc., and that I have provided engineering services in the area of telecommunications since 1977. My qualifications as an expert in radio engineering are a matter of record with the Federal Communications Commission.

The firm of Mullaney Engineering, Inc., has been requested by Radio One Licenses, Inc., to prepare the instant engineering exhibit in support of comments in a rule making petition to amend the FM Table of Allotments - MM Docket 02-143 Lebanon & Speedway, IN (FCC Facility ID Number: 6420).

All facts contained herein are true of my own knowledge except where stated to be on information or belief, and as to those facts, I believe them to be true. I declare under penalty of perjury that the foregoing is true and correct.

John J. Mullaney, Consulting Engineer

Executed on the 8st day of July 2002

ENGINEERING EXHIBIT EE-RM:

RULE MAKING TO AMEND
FM TABLE OF ALLOTMENTS**

**DELETE CH. 265A AT LEBANON, IN
ALLOT CH. 265A TO SPEEDWAY, IN
MM DOCKET 02-143**

NARRATIVE STATEMENT:

This engineering statement has been prepared on behalf of Radio One Licenses, Inc., licensee of Radio Station WYJZ, at Lebanon, Indiana (Facility ID: 6420). WYJZ operates its facility using a directional antenna because of a short spacing which resulted in adoption of metrification (in 1984) and of the 6 kW rules (in 1989). The purpose of this statement is to provide engineering in support of comments in a rule making petition to amend the FM Table of Allotments to delete Ch. 265A at Lebanon and re-allot Ch. 265A to Speedway, IN, and to modify the license of WYJZ accordingly - MM Docket 02-143. This will permit WYJZ to eliminate the need for a directional antenna.

The city of Lebanon with a population of 14,222 persons (Boone County) will continue to be served by one non-commercial FM service and grant of this proposal will result in the **first** aural service to Speedway, IN with a population of 12,881 persons (Marion County, within Indianapolis Urbanized Area). All populations are based upon the 2000 Census.

WYJZ wishes to point out that it seeks to remain on its existing channel with a proposed location which is less than the separation specified by Section 73.207 and, therefore, it is not necessary to demonstrate the availability of an additional equivalent channel in accordance with Section 1.420(g) of the rules.

The proposed reference point is not within 290 kilometers (180 miles) of a United States Border and, therefore, foreign concurrence is not required.

Service to City of Lebanon

Figure 1 is a map which illustrates the 60 dBu contours of WIRE on 216A (green); WYJZ's licensed facility (blue) and of the proposed RM at Speedway (red). In addition, the map shades the 70 dBu contour from WIRE to emphasize that it easily provides a city grade service **to the entire boundaries** of the city of Lebanon. Although, WIRE is a non-commercial station it provides service to Lebanon in a similar fashion as that which must be provided by commercial FM stations. The transmitter site utilized by WIRE is located within 2 kilometer of the northeast boundary of Lebanon.

Other Services to Area

Figure 2 is a map which illustrates the 60 dBu contours of WIRE on 216A (black); WYJZ's licensed facility (blue) and of the proposed RM at Speedway (yellow). The "gray" shaded area highlights the composite area of all three contours. It has been determined that the entire area including loss & gain areas will continue to receive (excludes WYJZ present & proposed) service **from at least 13 and from as many as 25 existing AM & FM services.**

Service contours from AM stations are depicted in green and from FM stations are depicted in pink. A complete list of these stations is available upon a request from the FCC staff.

Public Interest Showing

WYJZ presently operates as a short spaced Class A facility with a directional FM antenna (6 kW-DA at 100 meters HAAT). The proposed change in community of license will permit WYJZ to eliminate the current grandfathered short spacings & currently authorized "grandfathered" contour overlap with WWKI on Ch. 263B at Kokomo & with WMGI on Ch. 264B at Terre Haute, IN. In addition, use of fully spaced maximum non-directional Class A facilities will permit WYJZ to serve a wider area and more population. WYJZ presently provides a 60 dBu service to 755,637 persons and an area of 2,315 sq.km. WYJZ's proposed reference point will potentially provide 60 dBu service to 1,181,137 persons and 2,481 sq.km. This represents an **increase in population** of 425,500 persons or 56.3% of the current service. As a result of the move WYJZ will no longer provide service to 43,025 persons or 5.7% of the current service. The gain in population is nearly **10 times larger** than the loss in population. The entire area including loss & gain areas will continue to receive (excludes WYJZ present & proposed) service **from at least 13 and from as many as 25 existing AM & FM services.**

The city of Speedway is located in Marion County (Indianapolis Urbanized Area) and has a population of 12,881 persons. The allotment of Ch. 265A will be the **first** aural service licensed to Speedway. The city of Lebanon will continue to have one licensed FM (Ch. 216A, WIRE FM) facility upon grant of this RM petition. That non-commercial FM facility **provides better than** a 70 dBu signal level to the entire city of Lebanon.

Based upon the above information, WYJZ believes that its request results in a preferential arrangement of allotments and therefore, serves the public interest. All population figures are based upon the 2000 Census.

SUMMARY

Radio One Licenses, Inc., licensee of Radio Station WYJZ, at Lebanon, Indiana (Facility ID 27982) requests that the FM Table of Allotments be amended to delete Ch. 265A at Lebanon and re-allot Ch. 265A to Speedway, IN, and to modify the license of WYJZ accordingly.

	Present	Proposed
Lebanon, IN	216A, 265A	216A
Speedway, IN	- - -	265A

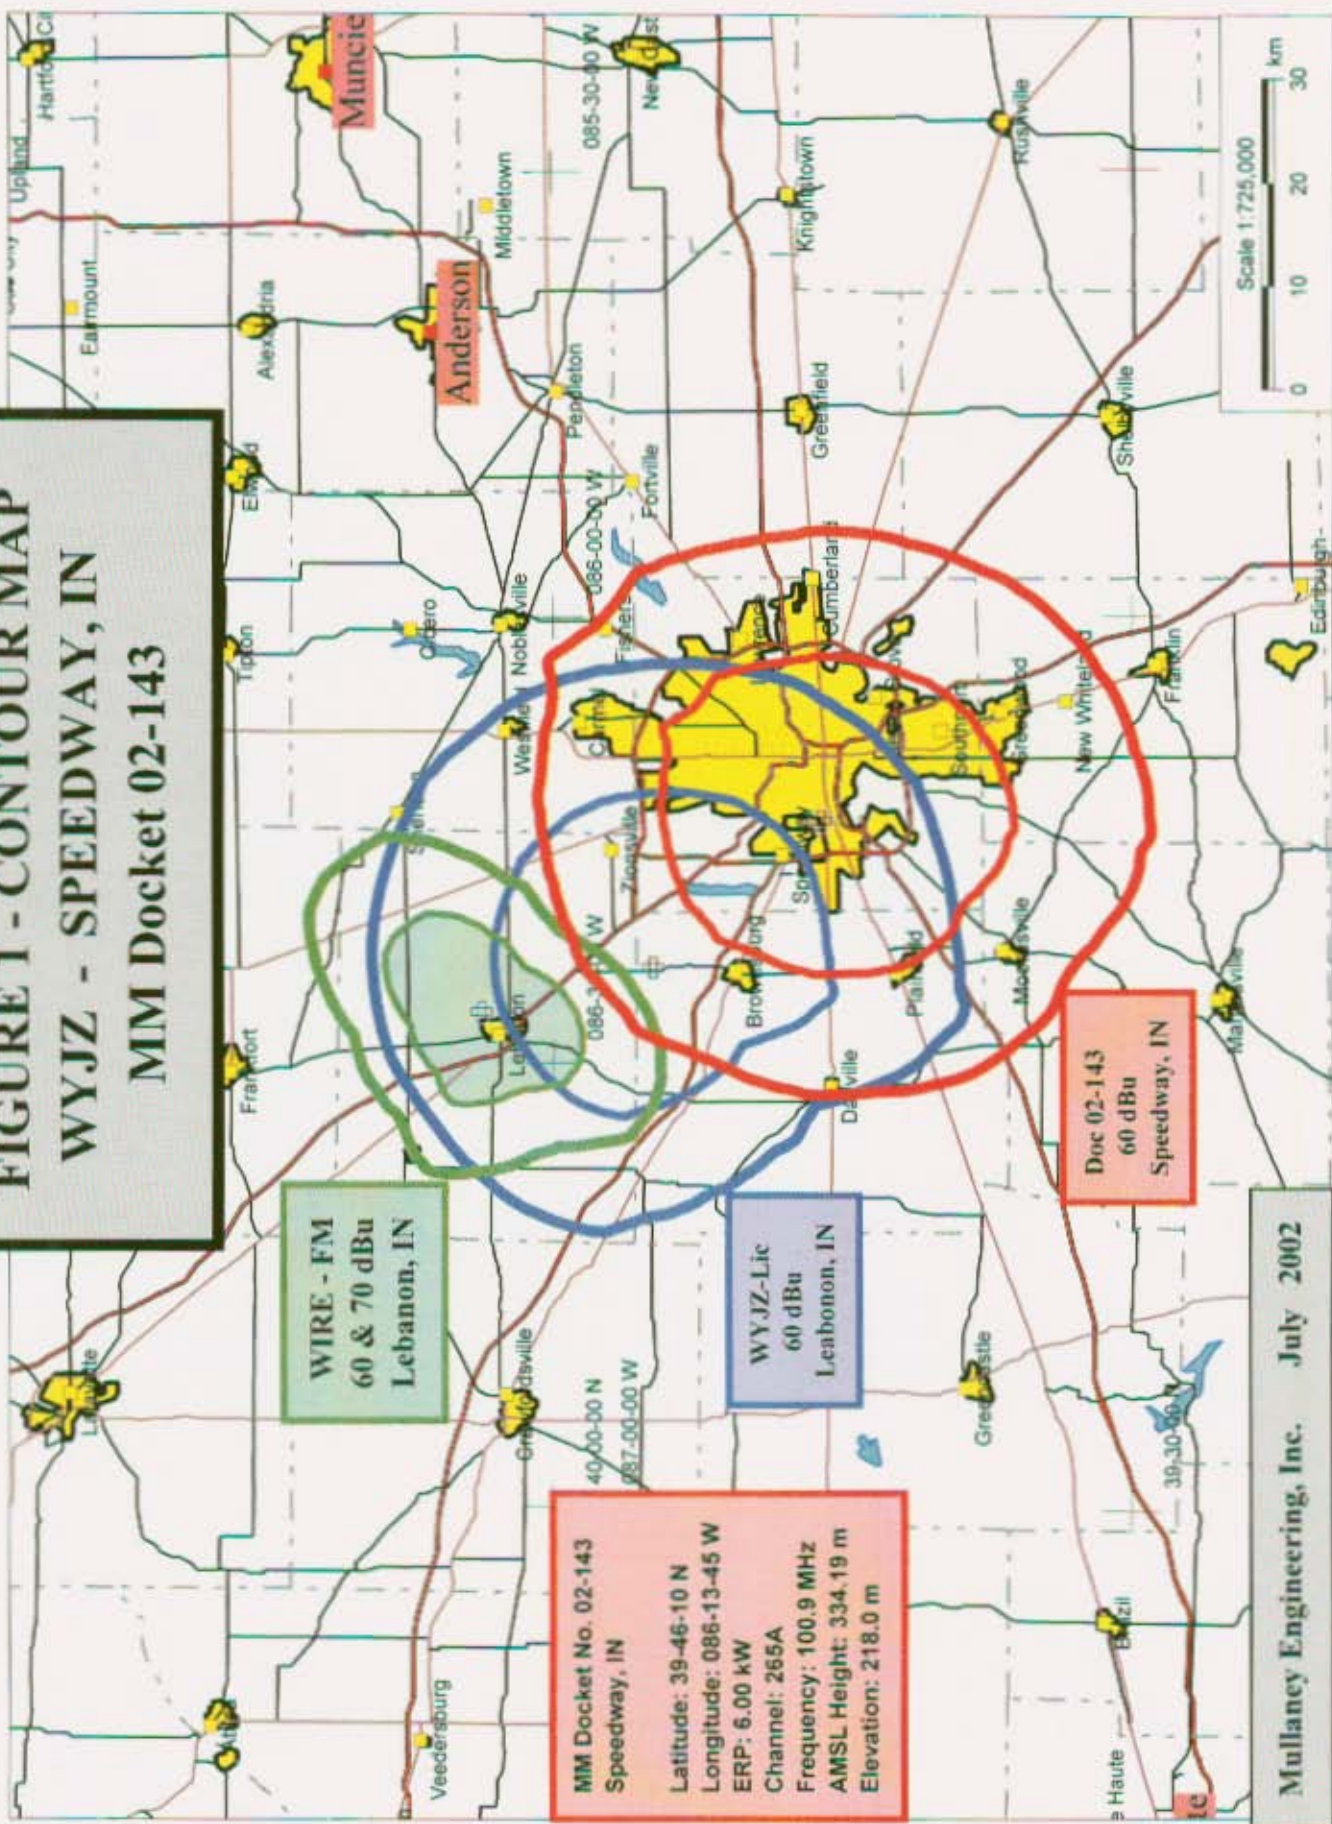

WYJZ believes that the proposed change in community and operation of a fully spaced Class A facility will serve the public interest. If granted, WYJZ will promptly file an application for construction permit.

John J. Mullaney, Consulting Engineer

SAMPLES OF PAGES FROM LOCAL NEWSPAPERS

World Police And Fire Games

The Speedway Police Department is looking for local area residents who want to volunteer their time for the upcoming 2001 World Police and Fire Games which will be held June 8-15.

The games will involve 70 sports at more than 43 venues across 4,400 square miles of Indiana. One of the many venues is the Indianapolis Motor Speedway. Activities at the IMS include golf, narcotic dog exercises, police motorcycle skills, wrist

wrestling, tug of war, bicycling and bicycling sprints.

Officials of the games need more than 5,000 volunteers to handle operations in sports, registration, hospitality, transportation and many other areas. So far more than 2,000 people have signed up to volunteer.

Volunteers must be 16 years of age by June 8, 2001, and be willing to work three, six-hour shifts during the event. In return volunteers will receive an

official game uniform, complimentary food and beverages and credentials to attend the competitions.

Anyone wishing to volunteer for these events or any other events can still pick up a volunteer form at the Speedway Police Department, any central Indiana Marsh Food Store, all Marion County police and fire stations or by calling (317) 327-2001 or visiting the games website at www.2001wpfg.org.

Newby's Spell Bowl team finished 1st in their division during competition at Cherry Tree Elementary in Carmel. These great spellers studied over 700 words in preparation for the contest. Pictured front row (l-r): Alissa Moore, Joe Hession and Kacie Nolan. Middle: Keri Larsen, Erin Heller, Breanna Foreman and Jeremy Sergeant. Back: Coach Mary Anne Bailey, Delisa Sims, Nicole Pappas, Meghan Smith, Mitchell Lewis, Jud Brown and Coach Pat Vaillancourt.

The Cynthia L. Boyle Memorial Scholarship

Sponsored and presented by Speedway Parents and Teachers, the Cynthia L. Boyle Scholarship will once again be awarded to a senior at Speedway High School. Eligible applicants must be planning to major in Education at the college level. The recipient for 2000 was Alyson Takacs. She is currently majoring in Education at Ball State University. Any senior currently attending Speedway High School,

planning to major in Education, is eligible to apply for the \$1,000 scholarship. Applications may be picked up at the Speedway High School Guidance Office. All applications must be completed and returned to the High School Guidance Office before or on April 12, 2001.

Any further questions concerning this scholarship can be answered by calling Janet Ditzey at 299-2244.

Old Speedway A Historic Place

Exciting national recognition is in the works for the Town of Speedway, Wayne Township, and the City of Indianapolis. The Old Speedway City Neighborhood Association is getting ready to sign a contract with historian Weintraut & Associates to prepare the documents necessary for nomination to the National Register of Historic Places.

In Wayne township, the only entity to hold that distinction is the Indianapolis Motor Speedway itself. The original Speedway City would be the only westside neighborhood, or area, to hold such an honor. The distinction lends prestige to an area, and is a wonderful way to make known and help preserve an area's heritage. While the title is quite prestigious, there will be no encumbrances on the properties or mandates for the property owners like local historic designations impose.

To qualify for the National Register of Historic Places, an area must be at least 50 years old, largely intact, and historically significant. The

original Speedway City meets all 3 requirements. As part of the application process, each structure in the neighborhood will be listed as contributing or non-contributing, with attention given to architectural detail and style for the time period. When awarded, besides noteworthy distinction, the present neighbors, businesses, and administrators will gain capacity to obtain grant money, such as a grant program entitled, "Main Street USA" to further help the area be in thriving pristine condition. As urban sprawl seems to ever continue, this gives an incredible advantage to established older towns that qualify, so they may better themselves in the spirit of why they were formed. This greatly increases the attractiveness of such areas, for both residents and businesses.

What a jewel for Indianapolis' westside! Of course, as is always the case, it takes money to

Early Speedway real estate sign ... What a deal! \$10 down, \$10 per month.

See OLD SPEEDWAY Page 5

Heavy Trash Week For Speedway

Heavy trash will be picked up on Speedway residents the week of April 23-27 so start cleaning out your basements, attics and garages.

There will be a change in pickup day for each address, so keep watching The Speedway Town Press for more information.

Old Speedway (Continued from page 1)

make things happen. The old Speedway City Neighborhood Association's historic committee is beginning its efforts to raise \$4,250 to offset the cost for the document preparation. The committee also envision bronze national register plaques on houses within the area for property and business owners that would like to have them.

If you would like to contribute to this worthwhile cause, any amount that you could spare is needed and would be tremendously appreciated.

The Gateway To Speedway

by Tim Davidson

It wasn't long after the Indianapolis Motor Speedway was built in 1909 that Speedway City (later to become the Town of Speedway) one of the nation's first planned communities, began to take shape.

Since Main Street was installed in those early days, its general appearance has changed many times and scores and scores of businesses have come and gone. But one that stayed the longest was Rosner's Drug Store. In 1914 or 15 the two story brick structure became Main Street's first business building (Plot 1, Number 1) constructed on an unusually wide thoroughfare which was to become the town's bustling center of business.

Frank Rosner poses outside his grocery store at the corner of 16th & Main streets in 1914.

The Rosner building originally housed two businesses - a pharmacy and a grocery store - but somewhere along the line the grocery was removed and the pharmacy expanded to occupy the entire first floor.

The pharmacy remained until 1967, when Jack Rosner, the fifth to run the family business - closed it for good. He has been employed at the Crawfordsville Road Marsh pharmacy ever since.

At one time, Rosner's was a popular hangout for kids; until much later in its tenure as Main

Checks can be made out to OSCNA, and sent to P.O. Box 241156, Speedway, IN 46224.

For additional information call Carolyn Runge, Historic Committee Chairman, at 241-0703. The neighborhood association meets the 2nd Monday of each month at the Methodist Church on 16th Street.

For those interested, much of the history of this town, built for the auto industry, has been compiled in a book titled, "The Town of Speedway", available in the reference section of the Speedway Public Library.

Street's longest-running business, the store had a soda fountain and served food. During May it

TIME WATCH MEETING - Speedway Area 3 (Newby School district) will have a crime watch meeting on Thurs., July 26, 6:30 p.m. at the Speedway Public Library.

SPEEDWAY FOOTBALL SIGN-UP - Speedway Junior Football and Flag Football will have sign-ups at the Speedway Public Library on Thurs., July 26, 5 to 10 pm, and Sat., Aug. 11, 9 am to 2 pm.

BASEBALL/SOFTBALL BOARD MEETING - The board of Speedway Junior Baseball and Softball will meet on Aug. 7, Tuesday 7 pm at BW3's in Speedway. Parents and coaches are invited to attend.

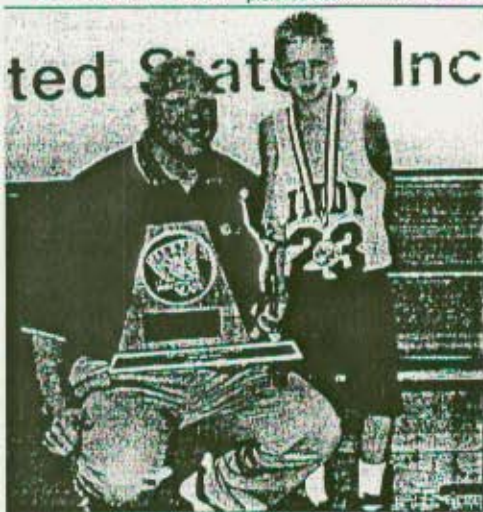

GLEDALE ASSOC. MEETING - The next meeting of the Gledale Neighborhood Association will be Thurs., Aug. 2, 6 pm at the Eagle Library, 3325 W. Wry Road. Guest speakers include Peck and Kim Boyd.

SOCCER TRYOUTS - Ben Davis male students can tryout for the junior or varsity soccer teams on July 30, 4 to 6 pm at Varsity Practice Fields.

See AREA BRIEFS Page 8

The Speedway White Sox defeated the Speedway A's to win the 2001 Speedway Major League Championship. The Sox then went on to defeat the Ben Davis Major League Champions in the first Ben Davis - Speedway Interleague Championship. Pictured (l-r) Assistant Coach Brad Hall, Joe Robinson, Zach Razon, Ryan Thomas, Zach Hall, Corey Combs, Tony Atkinson, Adam Walton, Brian Carter, Chad McKee, Mike Bengie. Not pictured Assistant coaches Tracy Mantooth and Darrin Walton.

Shelby Elementary 2nd grader Tyler Hall and assistant coach Brad Hall recently traveled to Memphis, Tennessee with their 3rd grade AAU team from Municipal Gardens. The team ended the week 6-2 and shed 6th in the national. Tyler and 4 other 2nd graders will return next year as favorites to compete for the national title.

Full Day Kindergarten Program

The Indiana Department of Education has made a grant available to the School Town of Speedway which will allow the school system to offer a Full-Day Kindergarten Pilot Program.

The program will allow 18 students, corporation-wide, to participate in a pilot program that will be located at Allison Elementary School. Parents will be responsible for providing transportation.

The names of all registered kindergarten students who are five years old by July 1, 2001 and have submitted a request to

participate in the Full-Day Kindergarten Pilot Program will be entered into an equal chance lottery drawing. The equal chance lottery drawing will be held at Allison Elementary School in the multi-purpose room on July 27 at 8:30 a.m.

No applications will be accepted for the drawing after 8:30 a.m. on July 27, 2001. Any student who enrolls after July 27, may request to have their name

added to the bottom of the alternate list.

Anyone who knows of any kindergarten age child who has not enrolled, should help the school system by asking the child's parent/guardian to enroll the child at their earliest convenience.

For additional information call the principal of the school where the child will be enrolled or the Speedway superintendent's office.

Senator Young Schedules Town Meeting

State Senator R. Michael Young will host several meetings on Sat., July 28 in order to answer questions and address concerns from local citizens.

As a service to his constituents, Young designed the town meetings to discuss new laws enacted by the 2001 Indiana General Assembly. He also hopes to receive feedback from his constituents about what issues are

important to them.

The town meeting scheduled for Wayne Township will be at the Wayne Township Small Claims Court, 5401 W. Washington Street, from 2:00 p.m. to 3:30 p.m.

Since all meetings are free and open to the public Young encourages all citizens to attend the session and learn more about their state government.

Local Student Receives Academic Honors

Anne Marie Guerrettaz, a first-year student at Saint Mary's College, Notre Dame has been named to the academic honors list for the Spring 2001 semester. To be selected, a student must have achieved

a grade point average of at least 3.4 on a 4.0 scale.

Guerrettaz is a graduate of Cardinal Ritter High School and is the daughter of Drs. Stuart and Deirdre Guerrettaz of Speedway.

CRHS Open Registration Nights

Cardinal Ritter High School will hold another registration night on August 2. Anyone interested in registering for the 2001-2002 school year, or would just like more information about Cardinal Ritter High School is welcome to attend.

A CRHS representative will be available Thursday, August 2 from 7:00 p.m. to 8:30 p.m. Stop by the school and pick up a registration

packet or just take a tour.

Cardinal Ritter High School is a small Catholic school located one block north of 30th and Tibbs. Cardinal Ritter High School offers grades 7-12 and has been serving the westside of Indianapolis for over 30 years. CRHS is accredited by the State of Indiana and the North Central Association of Secondary Schools and Colleges.

Pike Lions Charity Golf Outing

The Pike Township Lions Club will hold its Annual Golf Outing on Friday, August 24, at the West Chase Golf Course (west of Brownsburg off U.S. Highway 136). The scramble will have a 12:30 shotgun start and is open to all

golfers.

The price is \$75 per person and includes green fees, golf cart, prizes, soft drinks and a sit down dinner.

For more information call Bryon Young at 317-291-4435.

Winfield Wood, 96

Indianapolis resident Winfield Wood passed away on July 15. He was a sawmill for Hoosier Veneer Co. for 15 years. He previously worked for Atkins Saw Division of Borg Warner Corp. as a field representative for 30 years.

Mr. Wood served on the Speedway School Board for eight years and the Speedway Town Council for over 10 years.

He was inducted into the Speedway Hall of Fame in 1990 in the civic

category.

He was a member, elder and Building Committee chairman for the Speedway Christian Church.

Memorial contributions may be made to the Speedway Christian Church.

Survivors: wife Norma L. Martin; daughter Judith K. Johnson; sons James Ray, and Stephen D. Wood; sister Myrtle Bowen; four grandchildren, nine great-grandchildren.

Speedway Through The Years

The following are interesting bits of information taken from copies of the Speedway Flyer from days gone by. If anyone has Speedway nostalgia they would like to share with our readers, send it to The Press, 1564 Main Street, Speedway, IN 46224.

1941

* To the Patrons of Speedway Water Works: Our water situation is again very serious. To have enough water for our necessities it becomes necessary to limit all sprinkling to one hour each day. Sprinkling may be done between 6:00 and 7:00 p.m. only.
(Signed) Trustees for Town of Speedway

1951

* TROUBLES? Don't Cuss - Call US - HOSS installs more HOSS POWER - Speedway Motor Service - 1032 Main St.

1961

* Speedway To Host Amateur Bicycle Race Sunday

The Town of Speedway and the Speedway Cycling Club will be host to a large group of amateur bicycle riders from many points of the United States and Canada.

The race will be held Sunday, June 25 at 1:00 p.m. The course will be on Buick Drive, Cadillac Drive and Lincoln Road. The Speedway Cycling

Club would appreciate it if the citizens in this area would display the American Flag. The general public is most cordially invited to witness this event.

The club chose Sunday afternoon so that more people would have the opportunity to enjoy this sport.

1971

* Pet Village, Speedway Shopping Center, 5684 Crawfordsville Rd. - PUPPY SPECIAL! The Dog-Gone-Deat Sale Ever! Now going on! Greatly reduced Prices. All A.K.C. Saturday Treasures

by Sara Sanderson

Around the bushes, or through the bushes. It doesn't matter. You begin a walk to the Speedway Library, from the shopping center, between Krogers and the next chain of stores. Here's the deal: go a short distance north along the fence, as soon as you find the entry just beyond the sitting cages get inside, on the high school side of the fence. Trust me. You can't get through further up, and you might even get yelled at; that has happened.

On a delightful Saturday morning, a walk to the library is a chance to meet neighbors, ponder

nature, and treasure the day. What could be more fun than to notice another walker approach, greet each other with smiles, move on. This time I just had to ask if I could take a photo for this column: Marie graciously agreed. She says the walk from her apartment takes seven minutes, and wonders why anyone would drive when we can walk. Instantly recognizable as a veteran walker, Marie has her canvas shoulder

bag, her shades, and a fabulous hat. Her computer had been giving her trouble this particular morning, she remembered, so why in the world not head outdoors. We laughed, and went our own way.

"Walking Our Town"

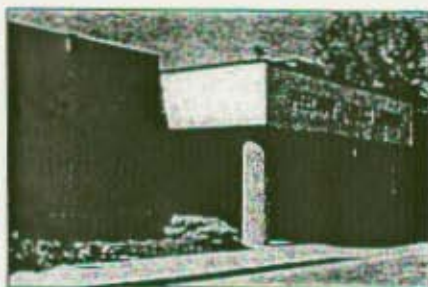

Closer to the library, you will notice a garden behind Fire Station #2. Darren could be coaxed to pose by the produce, but assured me the credit for the garden belongs to Chris. I promised we will leave the vegetables for the firefighters, but perhaps a walker or two might borrow their shaded picnic table for a short rest. That would be fine.

Heading between the fire station and the library, I wanted to check on the Smoke Tree around front. In late spring, on a gray misty day, this very tree had smacked my tail grandson in the face with its soggy leather puffs. At the time, we all laughed. Today I notice it shelters a "Yield" sign; now shouldn't it have yielded to Tyler?

Enter the library, on your search for treasures. Darsi, the director of the facility, shows me the fine gallery of art prints available for six weeks loan. Got your Monet? Then head down the hall, around the corner, and browse among the books for sale. Fifty cents will purchase a paperback mystery for your personal library of classics. She also

showed me the lobby display case where any resident can display a collection. Today, it's Star Wars; she remembers ones on Easter eggs, playing cards, and pigs. What do you have?

Above all the other treasures, the one prized most by this walker is a canvas bag. Available for only five dollars, what a great gift idea for a sister in Albany. But most of all, as Marie and others know, a walker needs a canvas bag.

I leave, with four books in mine.

Sanderson welcomes suggestions for future columns. If you have something Speedway that interests you, let us know. Contact Sanderson at the Press office by note, or phone 241-4345.

Once Again, A Great Festival

The St. Christopher Tops in Food Festival once again drew crowds for the carnival rides, games, bingo, fried fish and pork chop dinners.

The recent lightning strike that caused over \$100,000 in damage to the Church did not dampen the spirits and enthusiasm of the parish members putting on the event.
